## **USPS – How They Use SCADA**

During the holiday season, delivery of packages and letters in a timely way is high on a lot of people's minds. Read the article [https://about.usps.com/strategic-planning/cs09/CSPO\\_09\\_031.htm](https://about.usps.com/strategic-planning/cs09/CSPO_09_031.htm)<sup>Links to an external site.</sup> and diagram any processes listed.

Identify the Hardware, Sensors, Controls, and Machines. Network, and SCADA you find. This diagram can be completed in any of the Microsoft applications. Submit the final diagram in this assignment Dropbox.
